Business Nature

Product or Services:

Found in August 2006, Solubiz mainly provides Software Outsourcing Services. Our expertise covers a wide range of industrial sectors such as Manufacturing, Banking, Logistics, Health Care and Education.

We are the first one in Thailand who applied Artificial Intelligence technique such as Genetic Algorithms in Master Production Scheduling (MPS), so called the AiPIAN system, for manufacturing sector. At present, we strongly focus in launching the new product AiPIAN2.1 system, newly featured with Push Production, e-Kanban, OT Optimization, Priority Machine Selection, Parallel Machine Selection, Capacity Expansion Support, and Material Request Planning (MRP).

Since our three executive founders graduated from Japan, our target customers not only Thai SME manufacturers but also include Japanese manufacturers in Thailand. With the advantage in our expertise and networks, low-cost and skillful IT resources in Thailand base, we still expect to grow as an international software house, especially for Japanese customers, with full range of self-developed products for various sectors.

Our office is currently located at 77/176 39th Fl., Sinsathorn Tower, Krung Thonburi Rd., Klong Tonsai, Klong Sam, Bangkok.
