### Looking for:

We are looking for business partners or distributors for Japan and multi-nations market. We also keep the eyes on other applications to plug with our document management solution for more beneficial package.

### Business Nature

#### Product or Services:

Vertasoft Company Limited is Thailand's software & consultation provider of the Enterprise Document Management Solution (EDMS) in the name of "Papyrus".

Papyrus EDMS is the web-based solution with embedded workflow. It was designed for business process and document management to ensure the compliance with ISO standards.

Our main target customers are: Electronics manufacturing industry, Food and Food Preservation industry, Automobile industry, Insurance sector, Real Estate sector, Education and Government sector

We are currently planning to expand into the Asian & European market, in 2009, Vertasoft was one of Thai software company who exhibited in SODEC 2009 exhibition, at Tokyo, Japan. Now we have succeeded in doing Japanese menu in our software package.

### Credential Reference

Reference Japan's organizations, your company used to work it:
